

Dear Dennis,

Jean and I want to thank you for your kindness and consideration during a very challenging property/home development. Your personal commitment to your clients is very unusual in today's world where indifference is the norm and the \$ sign seems to be the most important part of any business transaction. It is heartening to know that there are still a few businesses that practice the "old fashioned" virtues as well as making a fair profit in the effort.

I will not hesitate to recommend your business to any and all. Again our thanks.

Sincerely
Lyn L.
