

Dear Lavon: Thank you for helping us get our new home. You are an excellent salesperson and know your stuff. We wish you much success in your career. We can't wait to be sitting in our living room, showering in a real shower and cooking in our beautiful kitchen that you helped design. Ma Williams is very lucky to have you on board. May God richly bless you. Thank you again, Dallas and Francisca Russell

P.S. I will send you pix of home when we move in.
